WORK EXPERIENCE

July 2020 – Dec 2020 Strutec, Garryhill, Carlow.

An integrated Architectural and Engineering consultancy.

Architectural Technician

- Developed planning applications, residential quality audits, and completed documentation for submitting applications to relevant authorities.
- Completed a number of different drawing layouts, including water services, interior and joinery.
- Created residential and commercial layouts based on Senior Designer input.

June 2017 – Aug 2018 RKD Architects, Dublin 4.

International Architectural firm.

Junior Architect

- Assisted both Senior Architects and Technicians on a variety of projects.
- Worked as part of a design team on a large-scale residential and mixed-use development.
- Covered various different stages of projects, including conceptual, planning, and tender.

Oct 2015 – June 2017 DMG Engineering, Shannon Valley Centre, Dublin.

Specialist multi discipline Mechanical and Electrical Engineers.

CAD Technician

- Helped Engineers and site personnel in completing coordination drawings in both Revit and AutoCAD.
- Attended in-office meetings.
- Completed final O&M manuals along with completed as-built drawings.

INTERESTS

- I enjoy developing and enhancing my abilities while striving to push myself in attempting new things, such as learning to code and exploring new software languages.
- I am an avid sports fan and enjoy both following and participating on a regular basis, including both soccer and rugby.
- I have a strong interest in reading and writing and in my spare time enjoy reading articles of interest. This includes sports and gaming articles to keep up to date with the latest developments.
